

PTK Undergraduate Scholarship Application

The Phi Theta Kappa (PTK) scholarship is a gap scholarship to help fill the gaps between undergraduate tuition, mandatory fees, and awarded tuition-based gift financial aid. The PTK scholarship shall be used only for undergraduate tuition and eligible fee-related expenses for a student primarily enrolled as a full-time (maintain enrollment in at least 12 credit hours) undergraduate School of Professional Advancement student. To avoid an over-award of a student's tuition and eligible fee costs, total tuition-based gift aid (discount, waiver, scholarship, etc.) from any source (whether institutional or not), cannot in total exceed total tuition and mandatory fees for the same enrollment period; in addition, total financial aid (all types from all sources) cannot exceed the total financial aid cost of attendance for the same enrollment period.
